Eagle Forum PAC Endorses Lonigan for Governor of New Jersey

“Steve Lonigan is the only candidate for Governor of New Jersey who is going to cut taxes, save traditional marriage, and protect the sanctity of life,” Phyllis Schlafly observed. Eagle Forum PAC enthusiastically endorses his Republican candidacy for Governor.

In the first five months of this year, we have seen same-sex marriage sweep other states in the Northeast, and Governor Jon Corzine has announced his plan to impose same-sex marriage on New Jersey after the election. Only Steve Lonigan will stand up effectively for traditional marriage and save it in New Jersey.

“The recent court victory for traditional marriage in California demonstrates that traditional marriage can be saved even in the most liberal states. But we have to support principled candidates like Steve Lonigan to protect our most sacred institution: marriage,” Phyllis Schlafly stated. “Lonigan is the only true pro-life candidate in the race and he will not back down from his principles.”

Like Ronald Reagan, Steve Lonigan is the only candidate who attracts supports from Democratic voters. Lonigan has consistently won elections in the overwhelmingly Democratic town of Bogota, by winning over Democrats. Winning Democratic votes in November is essential for a Republican to defeat Jon Corzine, and only Steve Lonigan has proved he can do that.

Only Steve Lonigan has a track record of cutting government spending. Only Steve Lonigan has a specific plan for “Putting Taxpayers First,” the title of his recent book that spells out the details.

These difficult times require electing strong and principled leaders like Steve Lonigan. “A vote for Steve Lonigan is a vote for the future of New Jersey and our country,” Phyllis Schlafly added.
