

Help defeat Harry Reid!

June 2010

Dear Eagles,

Last Tuesday's election brought victories for conservative candidates throughout the country. We are especially excited about Sharron Angle's overwhelming victory in the Nevada Republican Senate primary.

Eagle Forum was proud to be among the first national organizations to endorse Sharron, because she was the only candidate with a proven record of protecting life, marriage and taxpayers. I have worked with Sharron, and I know she is a tireless warrior who won't just vote for the causes we believe in, she will be a leader and a fighter in the Senate for our values.

We are especially proud of Sharron because when she defeats Harry Reid in November, she will be our first Eagle Forum "Homemaker of the Year" (Nevada 1987) award recipient in the U.S. Senate. Eagle Forum also recognized Sharron's contributions to the pro-family movement in 1994 with an Eagle Award.

Will you help us as we help Sharron defeat Harry Reid? [Click to donate.](#)

Eagle Forum used a state-of-the-art telephone system that enabled volunteers throughout the country to make phone calls to help turn out values voters to vote for Sharron last Tuesday. We will continue to use this system to help Sharron and other solid conservatives like her win in November.

Your contribution today will help us elect conservatives like Sharron in upcoming primaries and to carry conservatives to victory in November! [Click to donate.](#)
