

STOP Common Core Pledge

I, _____, pledge to the students and parents I seek to represent, and to the American people that I will:

1. Oppose Common Core in all its forms and no matter what name it is given;
2. Limit or eliminate the various aspects of Common Core that are currently being implemented including, but not limited to, data collection, directed vocational education, and the nationalized assessments/standards (e.g. PARCC and Smarter Balanced); and
3. Make public my opposition to Common Core .
