Speaker:  **E. Calvin Beisner, PhD** — Dr. Beisner is Founder and National Spokesman of The Cornwall Alliance for the Stewardship of Creation, a network of nearly 70 Christian scholars working to educate the public and policymakers about three things simultaneously and intertwined: Biblical earth stewardship, economic development for the poor, and the gospel of Jesus Christ.

The author of over a dozen books and thousands of articles, Dr. Beisner has taught at Covenant College and Knox Theological Seminary and lectured for colleges, schools, churches, and conferences in North America, Great Britain, Europe, and Africa.

The Heritage Foundation honored him with the Outstanding Spokesman for Faith, Science, and Stewardship Award at the Ninth International Conference on Climate Change, and he has testified as an expert witness on the ethics and economics of climate and energy policy for committees of the U.S. Senate and House of Representatives.

**Title: Climate Change and Energy Policy: Is Green the New Red?**

**a. Outline**

i. Global Warming—What’s True, What’s False, What’s Our Responsibility?

iii. Policy Implications for Americans

iv. Policy Implications for the Poor in Developing Nations

v. Is Green the New Red?

**b. Action Items**

i. Learn more: Visit www.CornwallAlliance.org to read outstanding studies and articles and learn why George Soros’s New America Foundation blames Cornwall Alliance for preventing American evangelicals from climbing aboard the global warming bandwagon!

ii. Arm yourself: Get books and videos at a discount and without paying shipping from Cornwall Alliance here at the conference or pay regular cost and shipping by ordering from our online store.
iii. Share what you learn with pastors, elected officials, other leaders, and your local community through letters to the editor.

iv. Schedule a Cornwall Alliance speaker for your church, school, or conference.
