Social Media, Apps, Gaming

- Predators GROOM by Email/Chat/Messaging/Webcams/Voice-masking
- Online gaming- Predators dream
- Porn often embedded in games; virtual sex games
- No Age-verification

40% of kids 4-8th grades reported they connected online with a stranger:

53%	revealed their phone number to a stranger
21%	spoke by phone with a stranger
15%	tried to meet with a stranger
11%	met a stranger in their home, stranger's home, a park, mall,
30%	texted a stranger

(Children's Internet Usage Study, March 2019)

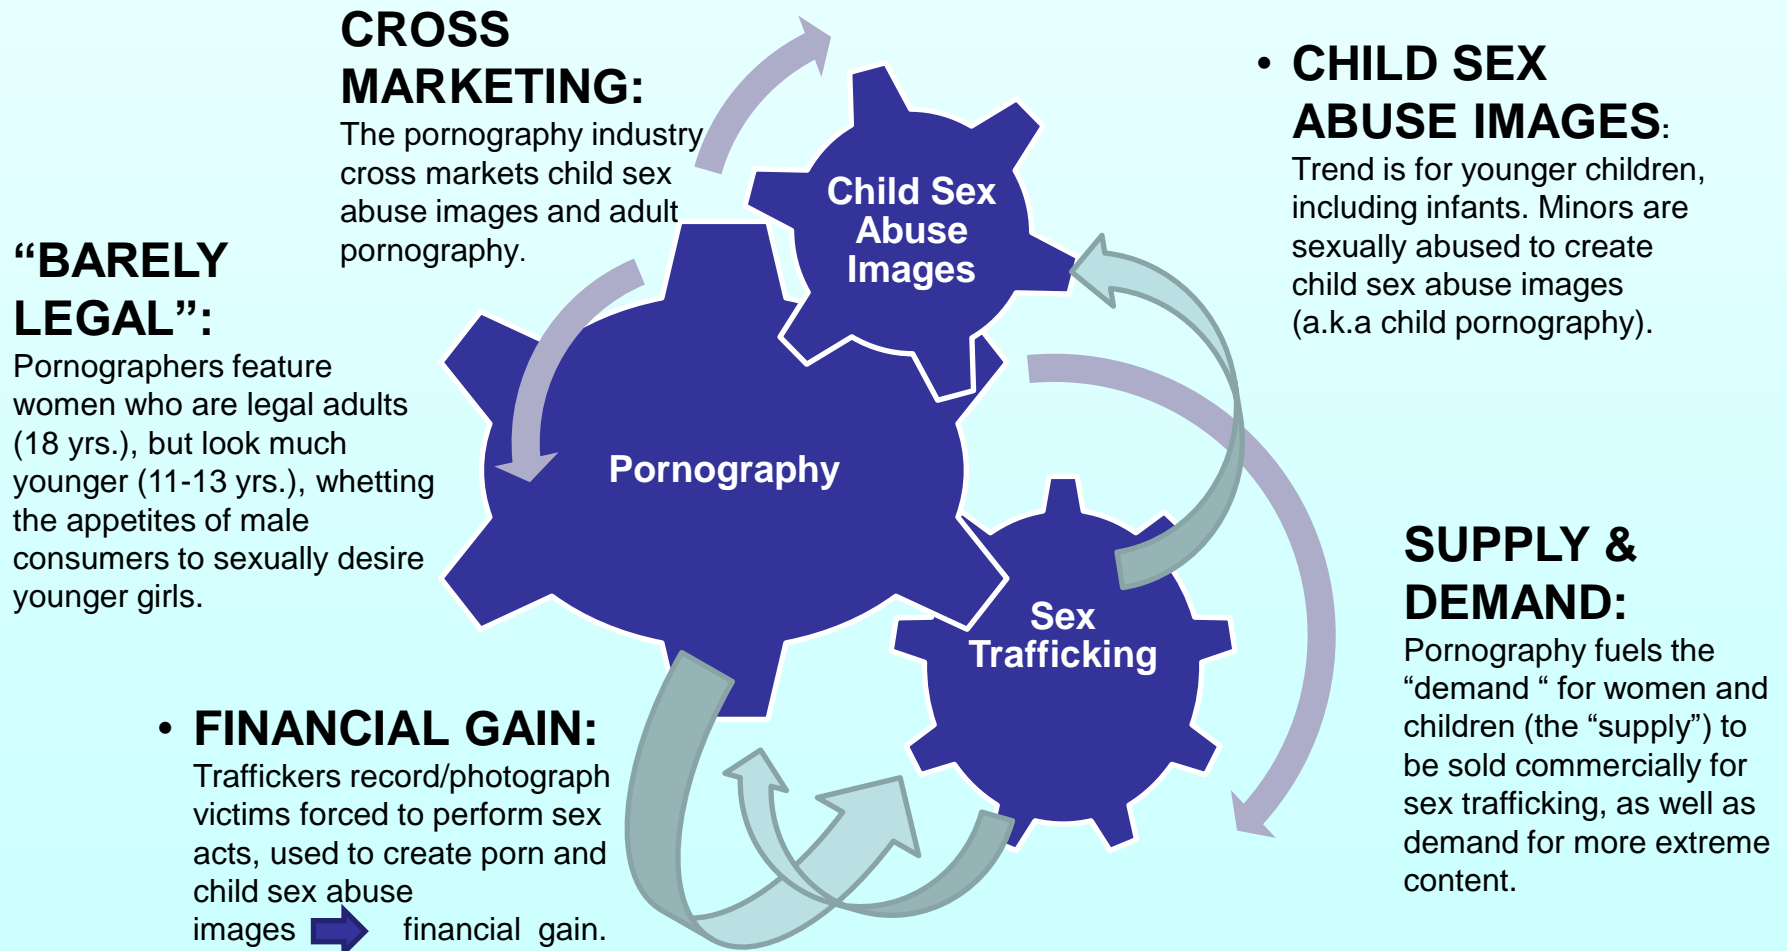

“Social media make girls think choking during sex is ‘normal’”

Newspaper investigation uncovered hundreds of images of sexualized choking and strangulation on Pinterest, Instagram, and Tumblr. All three allow children as young as 13 onto their sites.

--Jan 26, 2020, The Times (UK)

Making the Internet Safer for Children and Families

Prevention Strategy

Shared responsibility between:

- **Public** - Parents, Schools, Libraries, Businesses
- **Corporate America** - Compliance with Law, Best Practices, Safe & Secure Technologies
- **Legal Community** - Law Enforcement & Public Policy
- **Faith Community** - Recovering Hearts

Enough Is Enough's Children's Internet Safety Presidential Pledge

- 1) Aggressively enforce the existing federal obscenity laws, child pornography laws, sexual predation laws and sex trafficking laws; implement new policy and rule making;
- 2) Enforce the Children's Internet Protection Act (CIPA);
- 3) Presidential Commission to examine public health impact of porn and prevention of exploitation of kids online
- 4) Establish public-private partnerships with Corporate America to voluntarily protect children online

RULES 'N TOOLS® CHECKLIST ***FOR PARENTS, EDUCATORS, AND OTHER CARING ADULTS***

Implement *both* safety rules and software tools to protect children online. Focus on the positives of Internet use while teaching children about the dangers and how to make wise choices online.

“Rules”

- ☐ Establish an ongoing dialogue and keep lines of communication open.
- ☐ Supervise use of all Internet-enabled devices.
- ☐ Know your child's online activities and friends.
- ☐ Regularly check the online communities your children use, such as social networking and gaming sites, to see what information they are posting.
- ☐ Supervise the photos and videos your kids post and send online.
- ☐ Discourage the use of webcams and mobile video devices for younger kids, and guide your teens and tweens in ways to use video safely.

“Tools”

- ☐ Set age-appropriate filters.
- ☐ Consider using monitoring software, especially if you sense your child is at risk.
- ☐ Periodically check your child's online activity by viewing your browser's history.
- ☐ Set time limits and consider using time-limiting software.
- ☐ Disallow access to chat rooms and only allow live audio chat with extreme caution.
- ☐ Limit your child's instant messaging (IM) contacts to a parent-approved buddy list.
- ☐ Use safe search engines.
