

MESSAGE FROM THE PRESIDENT

Critical Race Theory is a disgraceful affront to the courageous men and women of all stripes who bled and died to preserve our values. All Americans must rise up against this destructive force moving across our country.

Eunie Smith, President
Eagle Forum of Alabama

"While the United States ranked 37th in the world in mathematics in the last Program for International Studies Assessment (PISA), our K-12 schools want to waste precious time and taxpayer dollars inculcating children with a false narrative about their country."

Becky Gerritson, Executive Director,
Eagle Forum of Alabama

"What Critical Race Theory actually 'accomplishes' is to create anger, frustration and despondency among persons in the victim categories who internalize this destructive message."
