Speaker: Castilla, Cindi – Cindi currently serves as the president of Texas Eagle Forum. Her parents introduced her to political activism as a child and she has been involved in the conservative movement ever since. After becoming a follower of Jesus, she began to understand her political positions based on our brilliant constitution and God's word. Cindi became a precinct chair and election judge in her early 20's. While she has been a leader in and is currently a member of several Republican groups, she found her best fit in Eagle Forum. Cindi loves researching issues and going over bills to determine their impact on the people of Texas. Previously she served as the president of Dallas Eagle Forum.
