

Eagle Council 50

Speaker: Patray, Bobbie - Bobbie Patray has been the President of the Tennessee Chapter of the Eagle Forum and lobbyist at the State Capitol since 1987.

She joined Alabama Eagle Forum where she was active until the family moved to Lexington, KY in 1979. Bobbie joined with other conservatives to start a chapter of Eagle Forum in Lexington, where she served as president until the family moved to Nashville. The last three years in Kentucky, Bobbie also served as a legislative aide in the Kentucky General Assembly.

The Patray family arrived in Nashville in August of 1986, where Bobbie became President of Tennessee Eagle Forum and started at the Capitol in early 1987 as a full-time lobbyist. She has served on several boards, committees, and organizations promoting pro-life, pro-family public policies and has received some awards along the way.

God used the casual act of a friend to change Bobbie's life. He took someone with no political background, education, experience, or training and planted into her heart a passion for and commitment to promoting and defending Biblical principles in the marketplace of ideas while working to pass conservative legislation and public policies.

Bobbie feels so honored and blessed to do what she does and is more excited and passionate about this work than she was 40 years ago when she started.
