Shout for joy to God all the earth . . .
Come and see what He has done!
Psalm 66:1-5

Eagle Council 50

This year Eagle Forum celebrates its 50th Anniversary gathering — a conference designed by our founder Phyllis Schlafly and her vision of gathering engaged citizens from every state to hear expert speakers on the most pressing issues of the day.

Phyllis not only wanted citizens to be informed, but she also wanted them equipped and ready to engage in meaningful, productive action back where it counts — in their own communities and states.
