Speaker: Stanek, Jill, RN – Jill Stanek’s commitment to Christ led her to risk her job, reputation, and friendships to stop the terrible practices of abortion and infanticide.

Jill was a registered nurse at Christ Hospital in Illinois when she made the shocking discovery that babies were being aborted alive and allowed to die without medical care. She went public and has since become a national figure in the effort to protect both born and pre-born infants.

In January 2003, Jill was named by World Magazine as one of the 30 most prominent pro-life leaders in the movement over the past 30 years.

For her pro-life writing, liberal MSNBC commentator Keith Olbermann named Jill the “Worst Person in the World!” on June 4, 2009, perhaps Jill’s greatest honor! In 2011 News Reel Blog named Jill one of the “Top Ten Enemies the Pro-Abortion Left Fears.” In 2015 Family Research Council gave Jill its “Digital Pro-Life Pioneer Award.”

In July 2015, Jill joined Susan B. Anthony List and now serves as Community Outreach Director for SBA’s project Her PLAN, or Her Pregnancy and Life Assistance Network. Her PLAN is helping prepare states to safeguard vulnerable pregnant mothers and babies in the new Dobbs era.

Jill is a member of Parkview Christian Church in Orland Park, Illinois. She has been wife to Rich for 41 years; mother to three married children; and grandmother to 13 grandsons and one granddaughter! She has addressed many groups at the local, national, and international levels sharing her testimony and giving an insider’s view to the atrocity of abortion.
