Speaker: Stearman, Rep. Wendi - Representative Wendi Stearman is simply a homeschool mom married to a commercial pilot living a simple life with her family on a grass runway in rural Oklahoma. Tom and Wendi have 6 children and 3 grandchildren. They have homeschooled all their children. The oldest is 28 and last two at home are ages 10 and 14.

Wendi founded a homeschool cooperative in 2014 with a few families. As more people are joining the homeschool world, the group has rapidly grown. They have just started their 8th year with over 200 families and over 400 students who meet twice a week for about 85 classes including science, art, history, foreign language, P.E., and a 200+ voice choir that performs for events in the greater Tulsa area.

In April 2020, Wendi's quiet introverted life changed drastically when God placed in front of her an opportunity to put her name on the ballot to unseat a leftist state representative. Knowing nothing of campaigning and with only 36 hours to decide, she stepped out in faith and has never regretted the decision to follow God's leading.

During her first term in office, Wendi successfully carried and passed the most effective pro-life bill in Oklahoma history. Wendi counts it an honor and blessing to be part of God's perfect plan in whatever direction He leads.

Take Action:

- Model legislation is available for your state to pass a civil enforcement of abortion law. For information, email Wendi.Stearman@gmail.com
- Know the names and email addresses your state senator and representative
 - If possible, visit the office of both legislators and request cell numbers
 - An email or phone call from a constituent is powerful. Let your legislator know who you are.
- Track the votes of your legislators. Here are some useful sites:
 - <https://openstates.org/>
 - <https://www.billtrack50.com/>
- Do not be afraid to be a Fool for Freedom. The Left often resorts to unfounded ridicule when someone dares to take a principled stand for individual rights.
- Do not expect someone else to do something in your state.
- How about YOU?
