

Eagle Council 54

Saturday, 9/26/26

8:30 am

Speaker: Mark Andrews is a longtime friend and supporter of Eagle Forum. He knew Phyllis Schlafly well and supported her work through Eagle Forum. He served on her Boards, and his wife, Pat, was the Florida Eagle Forum state leader for decades.

A former business owner in St. Louis, strong Christian, and concerned citizen, Mark has been involved in local and national politics in various capacities for years.

He was one of our first recipients of the annual Fred Schlafly Award which proudly recognizes how crucial a supportive husband is to his wife and family. We know that for so many of our members can volunteer because they have strong support at home.
