Title: *Plan Red: Communist China's Project to Destroy America and What We CAN DO to STOP It*

Outline:

- Today's wars could merge into a global conflict. China is using Russia, Iran, and North Korea to encircle America.
- China is trying to take down the current international system and replace it with worldwide Chinese rule.

- China's regime has declared a "people's war" against the U.S.
- China, to destroy America, is waging "unrestricted warfare" against us.
- China, as part of its campaign to take down our society, is using fentanyl to kill Americans.
- China is preparing to fight Americans on American soil, including launching biological weapons attacks.
- Americans need to immediately remove China's regime from America.

Action Items:

- Cut trade and investment.
- Eject China's agents.
- Demand reciprocity.
- Stop China from systematically using its nationals for gathering intelligence.
- End all technical cooperation agreements with China.
- Get the Chinese off our farm and ranch land.
- Jail all the corrupt politicians Beijing has bought.
